FROM THE PRINCIPAL

Located in the picturesque Penrith Valley, The Lakes Christian College, Castlereagh, is a Prep to Year 12 co-educational Christian school that was established with the purpose of educating, nurturing and discipling young people to be all they were created to be. It's a place where each student is known by name and has the opportunity to learn in a peaceful, safe and nurturing environment.

Our school vision is to glorify God in a Christ-centred community where students build skills for lifelong learning, strong character, and spiritual responsiveness. The aim of The Lakes Christian College is to encourage all students to develop their God-given gifts and talents as they pursue excellence in all areas of their lives: academically, physically, spiritually and socially. Students are provided with opportunities designed to challenge them to strive to reach their full potential, enabling them to select from a range of choices when they move on to their next level of education, their career or other life opportunities.

The College staff are a group of committed Christian professionals who are active in building positive relationships and delivering high quality teaching. The College has a strong evangelical ethos grounded in Christian values. It believes that the values taught and modelled to students are of great importance in developing young people of outstanding character. Our vision is to work as partners with parents to know and nurture children. All children are unique and valuable, and have gifts and abilities given by God that we desire to see discovered and developed to full potential.

We seek a Christian educational leader with a servant heart who has the ability and capacity to influence and lead colleagues in enhancing student engagement, achievement, faith and wellbeing. We value teaching and learning that encompasses:

- Transformational curriculum.
- Relational, cognitive, and differentiated approach to teaching.
- Leadership for school improvement.
